Your FAFSA has been received from the U.S. Department of Education. It appears that you have not registered for Selective Service.

If you are male, in order to receive federal financial aid, you must register with Selective Service by doing one of the following:

1) Register online at [www.sss.gov](http://www.sss.gov). Selective Service will not process your registration until 30 days before your 18th birthday, but you may register up to nine months in advance; OR

2) Answer “Male” to Question #21 and “Register Me” to Item #22 on your FAFSA and resubmit; OR

3) Complete a Selective Service Registration form at your local post office.

**PLEASE CONTACT OUR OFFICE WHEN YOUR REGISTRATION IS COMPLETE.**

You must submit a copy of your registration confirmation page printed from the Selective Service website, or call our office to let us know you have registered.

*After registration has been confirmed,* we can proceed with processing your financial aid. If you believe you are already registered please call 1.847.688.6888 and speak with a Selective Service representative.

Please register prior to your 18th birthday. Federal regulations do not allow us to award federal aid to men 18 years of age and older who have not registered for Selective Service. We will check the federal database before the start of the academic year and if you haven't registered, we will be required to revoke your financial aid.

Please contact our office if you have any questions at 216.373.5213 or finaid@ndc.edu.
