WHAT TO DO IF YOU ARE RAPED OR SEXUALLY ASSAULTED

If the Assault Occurred in the Last 72 Hours:

• Go to a safe place.
• Call someone you trust to be with you and give you support.
• If you live in the residence halls, contact your RA or GA for support.
• Preserve all physical evidence of the assault. Do not shower, bathe, douche, or brush your teeth.
• Save all the clothing you were wearing at the time of the assault in a paper bag.
• If the assault took place in your residence, do not re-arrange and/or clean up anything.
• Write down as much as you can remember about the circumstances of the assault, including a description of the assailant.
• Go to the Hillcrest Hospital Emergency Room

6780 Mayfield Rd. Mayfield Hts. Ohio 44124 or contact the Cleveland Rape Crisis Center (216-619-6192). Ask the hospital for an evidence collection (also know as a “rape exam”) and tests for STDs and pregnancy. It is important to receive this exam even if you are not planning to make a police report.
• If you suspect that you may have been drugged, ask for a urine test when you receive your medical care.
• If you want to report the assault, notify Campus Police (216-373-5212) immediately.
• Contact The Counseling Center (216-373-5211) for supportive services. The Counseling Center has special expertise in assisting students who have been impacted by sexual assault. Crisis counselors are available by phone 24 hours a day, 7 days a week.
