GREETINGS FROM
NOTRE DAME COLLEGE!

We are so happy to be co-chairing NDC’s 2013 Homecoming & Alumni Reunion Weekend - There’s No Place Like Home. If you haven’t come “home” to Notre Dame in the last few years, Homecoming is the perfect time to make a visit!

We will be celebrating the College’s two new athletic fields which are at “home,” on campus! The first new field, located on College Road, will host soccer and softball games. A second field on Green Road will host football and lacrosse competitions. These fields represent a giant leap forward for Notre Dame! Come the days when students had to travel more than 30 miles to rented fields for practices and play their home football games at a high school stadium!

We’re also starting new Homecoming traditions:
• Pull out your steins and lederhosen—we’re hosting an “Old World” Oktoberfest!
• Connect with President Dr. Andrew P. Roth as he and Sr. Eileen Quinlan, SND, Ph.D., ’74 host a condensed version of the president’s popular “Books That Changed the World” series.
• Cheer on your Falcons with our Homecoming volleyball, soccer and football games, all now played on campus!
• Take a peek into your old residence hall room with the “Where’s My Room” program!
• We’re thinking outside of the box for reunions! We will still celebrate our traditional reunion years (graduation years ending in ’3 or ’8) but we’re expanding to include special reunions for WECO and Adult students, Nursing, Education and Academic Support Center alumni too!

We hope you come out to one or all the activities we have planned for the weekend. We know it’s going to be a great time, so plan on coming home! We look forward to seeing you!
